

# INFORMATION LETTER

Dear colleagues, partners and friends!

Kyrgyz Construction Engineering Institute (KCEI) named after N. Isanov KSTU named after I. Razzakov invites you to take part in the International Scientific and Practical Conference "**Modern trends in construction: problems and ways to solve them**" dedicated to the 80th anniversary of the outstanding public and statesman of the Kyrgyz Republic Nasirdin Isanov on November 2-3, 2023.

Nasirdin Isanov was born on November 7, 1943, in the village of Kok-Bel, Nookat district, Osh region. In 1961, he graduated from the Kuybyshev Moscow Engineering and Construction Institute. Kuibyshev. During his short life he worked his way up to the First Prime Minister of the sovereign Kyrgyz Republic. He made an invaluable contribution to the establishment and strengthening of statehood and development of the construction industry of the Kyrgyz Republic. By the Decree of the President of the Kyrgyz Republic dated October 17, 2008 the name of Nasirdin Isanov was given to Kyrgyz State University of Construction, Transport and Architecture.

The purpose of the conference is to create a dialogue platform for the exchange of knowledge and discussion of current achievements and challenges in the field of construction, taking into account modern requirements and trends, such as sustainable development, energy efficiency, environmental friendliness, digital transformation and economic efficiency.

The conference is held in 7 sections:

**section 1. Integrated safety in construction: seismic resistance and technology of construction processes;**

**section 2. Modern building materials and products, technologies and innovations;**

**section 3. Transport and technological machines, transport infrastructure and communications;**

**section 4 Reliability, durability of building structures and BIM technologies;**

**section 5. Engineering communications: problems, innovations and prospects;**

**section 6. Energy efficiency and environmental friendliness in construction;**

**section 7. Problems of geodesy in construction.**

The event includes a plenary session and the work of scientific sections.

**Plenary session** - Registration at 9.00-9.30

<https://us02web.zoom.us/j/6175902763?pwd=WHBjZmRUSUx3SlZadGI3UmQvc0htQT09>

Conference ID: 617 590 2763 Access code: 6666

Participation in the conference is free, upon prior registration.

**Working languages:** Kyrgyz, Russian, English.

**Form of delivery:** offline and online (Zoom.us).

**Conference materials:** after peer review, reports will be recommended for publication in the journal "Izvestia KSTU im. I. Razzakova", indexed in the RSCI database.

Applications for performances are accepted **until October 27, 2023**

<https://forms.gle/4qeMw7VssojNTgLS9>

**Venue:** Kyrgyz State Technical University. I. Razzakov - Ch. Aitmatov Ave. 66 (Razzakov campus); st. Malybaeva 34 b (Isanov campus), 720044, Bishkek, Kyrgyz Republic.
