

The Polytechnic College of KSTU named after I. Razzakov is a structural division of KSTU named after I. Razzakov. It carries out educational activities in the field of secondary vocational education, produces specialists for the sphere of life and services. The founder of the Polytechnic College of KGTU is the Kyrgyz State Technical University named after I. Razzakov. It was established in 2000 as a secondary vocational education department of KSTU. The college implements the college-university model of continuing professional education. College graduates have the opportunity to continue their studies at the university on an accelerated program. In this regard, the educational process is aimed at the in-depth mastery of subjects in programs developed by college teachers in conjunction with teachers from the graduating departments of KSTU. The college prepares mid-level specialists with 12 specialties with assignment of qualifications:

- Technician
- Technologist
- Modeler-designer
- Technician-electric
- Technician-mechanic

Required documents:

1. Identity and citizenship documents.
2. Military liable - an ascribed certificate or military ID.
3. A document of the state standard on secondary (basic or full) education.
4. 6 photos in the size 3x4 cm.
5. Medical certificate in the form of 086-U.
6. Certificate from the drug dispensary
