

APPROVED

Rector of the I. Razzakov KSTU

M.K. Chinybayev

“ 2025 y.

List of directions and programs of PhD doctoral studies at KSTU named after I. Razzakov

| № | Code | Name of the direction: programs |
|-----|--------|-------------------------------------------------------------------------------------------------------------------------------------|
| 1. | 580600 | Logistics: Logistics (4 years) |
| 2. | 620100 | Geodesy and remote sensing: Geodesy and Geoinformation technologies (3 years) |
| 3. | 630100 | Applied Geology: Geoinformation Systems and Technologies in Applied Geology (3 years) |
| 4. | 630300 | Mining: Geoinformation technologies in mining (3 years) |
| 5. | 640200 | Electric Power and Electrical Engineering: Electric Power and Electrical Engineering (3 years) |
| 6. | 650300 | Mechanical Engineering: Mechanical Engineering (4 years) |
| 7. | 650500 | Theoretical and Applied Mechanics: Theoretical and Applied Mechanics (4 years) |
| 8. | 710100 | Computer and Information Technologies: Computer and Information Technologies (4 years) |
| 9. | 710100 | Computer and Information Technologies: Information Systems and Processes (3 years) |
| 10. | 741000 | Food Production Technology: Food Production Technology (4 years) |
| 11. | 750300 | Restoration and Reconstruction of the Architectural Environment: Restoration and Reconstruction of Architectural Heritage (3 years) |
| 12. | 750500 | Construction: Buildings: Energy Efficiency, Energy-Saving Architecture, Climate Change (3 years) |
| 13. | 750500 | Construction: Water Supply and Wastewater Disposal (3 years) |
| 14. | 750500 | Construction: Inspection and Supervisory Activities in Construction (3 years) |
| 15. | 750100 | Architecture: Methodology of Building and Complex Design (3 years) |
| 16. | 750100 | Architecture: Principles of Architectural, Urban Planning, and Design Projecting (3 years) |
| 17. | 580200 | Management: Management in Industrial Sectors (3 years) |
| 18. | 580100 | Economics: Financial Analytics (3 years) |
| 19. | 580100 | Economics: Economic Engineering (3 years) |

Head of the Department of Postgraduate and

Doctoral Studies

M.A. Dzhusupova
