

**The plan
of publication of Educational and methodical literature of the department "Design" for 2022-2023 academic year**

п/п	Last name First name	Name of educational and methodical works, indicating the direction, profile	Brief summary	Volume in educational and publishing sheets	Circulation	Term of provision	Note
1	Koernaliev K.K. , Musayeva N.B.	Methodological guide to laboratory work on the discipline "Computer graphics" for students of the direction 570400 "Design", profile: Graphic design	Performing laboratory tasks and exercises of a design project in the discipline: "Computer graphics" for students of the Graphic Design direction	5,0	50	november	solid
2	Sataev K.A., Kanimetova B.S.	Methodical instruction to laboratory work on the discipline "Interior image technique" for students of the direction 570400 "Design", profile: Environment design	Laboratory tasks and exercises of the design project on the discipline: "Interior image technique" for students of the direction 570400 "Design", profile are given: Environment design	2,0	50	april	solid
3	Toktoev S.K., Karybek K.Zh	Methodical instruction to laboratory work on the discipline "Fundamentals of composition" for students of the direction 570400 "Design"	The basics of the concept of the basics in the development of projects of compositions and in the development of design projects for the implementation of tasks in design	2,0	50	may	solid

4	Ulan kzy Ayperi	Methodical instruction to laboratory work on the discipline "Design studio 2" for students of the direction 570400 "Design"	The laboratory tasks and exercises of the design project on the discipline are given: "Design studio 2" for students of the direction 570400 "Design"	2,0	50	november	solid
5	Nasyrova A.K., Sataev K.A	Methodological guide to laboratory work in the discipline "Three-dimensional composition" for students of the direction 570400 "Design", profile: Environment design	Laboratory tasks and exercises of the design project on the discipline: "Three-dimensional composition" for students of the direction 570400 "Design" are given	10,0	50	march	solid
6	Momunaliev A.A.	Methodical instruction to laboratory work on the discipline "Special composition" for students of the direction 570400 "Design"	Performing laboratory tasks and exercises in the discipline: "Special composition" for students of the direction 570400 "Design"	2,5	50	april	solid
Total: in printed sheets				23,5			

Head of the department "Design"

Koenaliev K.K.
