

Rules and terms of admission to PhD doctoral studies at KSTU

Admission to the programs of study in the doctoral program for the preparation of doctors of philosophy (PhD) / doctors in the profile for the current academic year is carried out in the following areas of training:

№	Name of the direction	Cipher	Period of study, years
1.	Economy	580100	3
2.	Logistics	580600	4
3.	Geodesy and remote sensing	620100	3
4.	Applied Geology	630100	3
5.	Mining	630300	3
6.	Electric power and electrical engineering	640200	4
7.	Mechanical engineering	650300	4
8.	Theoretical and applied mechanics	650500	4
9.	Computer and information technology	710100	3 или 4
10.	Food technology	741000	4
11.	Restoration and reconstruction of architectural heritage	750300	3
12.	Construction	750500	3

The term of study is 3 or 4 years, including a scientific internship abroad.

Admission to the PhD program is carried out on the terms of an open competition. The open competition is open to persons with higher professional education, confirmed by a diploma of "Master" or "Specialist".

Admission to doctoral studies is carried out on the above-mentioned programs in the relevant branches of science.

PhD studies are carried out only full-time, but with elements of hybrid training.

Citizens of the Kyrgyz Republic and citizens of other states have the right to enter the PhD doctoral program in accordance with the legislation of the Kyrgyz Republic on the basis of international treaties that have entered into force in accordance with the established procedure, to which the Kyrgyz Republic is a party, as well as on the basis of agreements of KSTU with universities / scientific institutions or with individual citizens.

Applications for PhD are accepted from August 20 to September 20 of the current year. Entrance tests for doctoral studies are held from September 21 to September 30, enrollment - until October 10.

Documents submitted for admission to the PhD program:

1. Application addressed to the rector of the University;
2. A notarized copy of the diploma of qualification "Master" or "Specialist";
3. A copy of the passport and military ID (for citizens of the Kyrgyz Republic) must be presented in person when submitting the application;
4. Personal personnel record sheet;
5. A certified copy of the employment record by the personnel department (if there is work experience);
6. A letter of recommendation (certified by the seal of the organization), for KSTU employees, a recommendation from the department;
7. List of scientific publications and educational and methodological developments (in their absence, an abstract on the specialty with reviews from at least two industry specialists);

8. Certificate of the authorized state body in the field of education and science of the Kyrgyz Republic on confirmation of the level of content of educational documents issued by foreign educational institutions;

9. 4 color photos with a size of 3.5×4.5 cm.;

10. Health certificate.

The competition for admission to the PhD program is conducted based on the results of entrance tests in the specialty.

The schedule of entrance examinations and the place of the exam are approved by the chairman of the admissions committee and brought to the attention of persons applying for doctoral programs (PhD). Admission to the entrance tests is carried out in the presence of a passport or other identity document. Retake of entrance exams is not allowed.

The examination in the specialty is conducted on examination tickets in accordance with the program of entrance examinations developed in the relevant field of training in the basic doctoral program (PhD / profile) and approved by the order of the rector.

The results of the entrance exams are announced to the examinee on the day of the entrance tests.

The admission committee on a competitive basis carries out enrollment in the number of PhD students. In the case of identical indicators of the entrance test in the specialty, scientific achievements corresponding to the profile of the chosen direction are taken into account.

Based on the decision of the Admissions Committee, the rector's order on admission to the PhD program is issued.
